

Cool Milk CRAFT SUN CATCHERS

Learning Objectives

How things look different when the sun shines on or through them.

Resources

- Tissue paper (different colours)
- PVA glue
- Paintbrush
- Cling film
- Plate
- Card shapes with cut out centres, e.g. hearts, diamonds, squares or any shape you like.

Instructions

1. Cut up the tissue paper into small pieces.
2. Put the cling film over the plate.
3. Mix the PVA glue with water. Then get the children to stick the tissue paper over the cling film.
4. Then using a paintbrush, paint the PVA glue and water mixture over the top of the tissue paper.
5. Lay the shape you use on top of the glued tissue paper, draw around the outside of the shape and glue this to the back of the shape.
6. Once dry, hang or put up on the window and watch what happens when the sun shines.

EARLY YEARS FOUNDATION STAGE

Personal, Social & Emotional Development
Communication Language & Literacy
Problem Solving & Reasoning
Creative Development & Physical Development

Make sure your children don't miss out, fuel their potential with FREE and subsidised school and nursery milk.
