

Cool Milk

Fuel your... little heroes!

Dear parent or guardian,

As you may be aware, your child's school has a milk scheme administered by Cool Milk. Mid-morning milk provides a much-needed nutritional boost and keeps children hydrated between breakfast and lunch. Children receive free milk until the age of 5. After that, they can carry on enjoying fresh mid-morning milk at a subsidised* cost.

If you'd like to opt in and have not already done so, simply register your child at www.coolmilk.com/parents. Your child will continue to receive free milk while under the age of 5, and we will be in touch by email shortly before their fifth birthday.

For children already over 5, it is not too late — our scheme is flexible. As well as being able to register and pay straight away, you can join and cancel at any time. We offer yearly, termly and half-termly payment periods, and a recurring payment option to give you one less thing to remember.

If you already have an online Cool Milk account for a sibling, you can manage your account, make a payment and add extra children by logging in at www.coolmilk.com/parents.

Should you have any questions or need any help, send us a message at www.coolmilk.com/contact or call the number below — we're here to help.

Kind regards,

Cool Milk
